Dear Dr. Cariño:

Greetings in the name of service!

As our partner agency in promoting STEM in the country, we humbly request your endorsement and assistance in promoting the Philippine Science High School System (PSHSS)-organized **PisayCom Science Communication Competition** to the public and private schools within the region. This is a nationwide competition that aims to promote science literacy and interest in the country through a set of competitions that include feature writing, visual designing, and short instructional video production. It is open to all interested Grade 6, Grade 10, and Grade 11 – 12 learners of the school year 2021 – 2022. The mechanics and registration forms for the competition can be accessed through the PSHSS website <http://www.pshs.edu.ph/>. **The extended deadline for registration and submission of entries is on October 01, 2021.**

For your further reference, attached with this letter is the advisory from the office of the DepEd Undersecretary for Curriculum and Instruction.

Should there be any questions regarding this event, interested students and teachers can communicate with us through the following contact information.

PlayCom Form 3. Consent form for publishing and posting of photos and videos, and submitted entries on social media and official websites

Philippine Science High School (PSHS) is conducting its PlayCom: Science Communication Competition from July 14 to September 15, 2021. All submitted entries, as well as photos and videos that might be taken during the virtual program are planned to be posted and used for:

- Determination of the special award – Netizen's Choice Award;
- Promotion of the event and of PSHS; and
- Presentation of journalistic content to promote science communication.

These may be posted on its official websites and social media accounts such as:

Facebook : <https://www.facebook.com/Philippine-Science-High-School-System>
Websites : <http://www.pshs.edu.ph>

Submitted entries are also planned to be published and used for:

- Promotion of PSHS and future events; and
- Presentation of journalistic content to promote science communication.

Please take note that your submitted entries may include your personal information which we will be uploading or posting on said social media accounts and websites or published in the future. The submitted entries may be viewed not only by people connected with PSHS but of the general public which may be throughout the world.

Limitations of Use:

- PSHS will not be using the submitted entries for other purpose other than the ones mentioned above.
- On the other hand, students' school affiliation may be identified in the posting.

Do you give permission to use the submitted entries by your child in line with **PLAYCOM: SCIENCE COMMUNICATION COMPETITION** for publishing in print and posting/ uploading on PSHS websites and social media accounts?
