ESTABLISHED 2020

Ms. Estela L. Carillo
Regional Director, DEPED CAR
Wangal, La Trinidad, Benguet

Greetings!

The Agriculture Students Association of the Philippines (ASAP) is the largest confederation of agricultural students and advocates. ASAP aims to empower the youth to create a meaningful change within the agriculture sector.

In line with our advocacy, we will be holding an event entitled "Agri? Agree! A Career Orientation and In-House Event" on September 25, 2021, at 8:00 AM – 4:00 PM for Grade 11 senior high school students.

This event aims to introduce degree in agriculture and related sciences, different majors/specializations, possible career paths, and other related information to prepare incoming college students who are interested in pursuing a degree in agriculture and/or related sciences. Aside from students, different universities and colleges along with their respective representatives will be participating in this event.

In this regard, we would like to ask for your help in inviting schools in your region to attend the said event. Because of the limited number of participants that we can accommodate in zoom, we will be implementing a first come, first served basis. Schools and/or students who we will not be able to accommodate may watch the event in the Facebook live on our official Facebook page at <https://web.facebook.com/agri.asap>

Should you have any concerns or inquiries, do not hesitate to contact us through agri.asap@gmail.com or asap.externals@gmail.com. We look forward to your positive response. Thank you!

Respectfully yours,
