1. In support of the Regional project entitled Hybrid Learning using Technology with Equity and Quality (HyTEQ) and as a follow-up to the Division Hybrid Training-Workshop on Digitization and Contextualization of Learning Materials across Learning Areas and Grade Levels, the implementation of the Learning Management System (LMS) is very much encouraged this school year. Hence, SDO Baguio through the CID recommends the pilot testing of DepEd LMS wherein teachers and learners are urged to navigate the system.
2. This endeavor aims to:
  - a. Enable SDO Baguio's learners to have access to any form of learning opportunity appropriate to their own context;
  - b. Protect the health, safety and well-being of learners, teachers and personnel, and prevent further transmission of COVID 19;
  - c. Ensure learning continuity through K to 12 curriculum adjustments, alignment of learning materials, deployment of multiple LDMS, provision of corresponding training for school leaders and teachers, and proper orientation of parents or guardians, and
  - d. Conduct monitoring and evaluation in the implementation and utilization of said LMS.
3. In addition, the quality assured LMS Course Content Packages or digitalized LMS are available and ready to use in the DepEd LMS powered by MOODLE, including access of the DepEd Pines LMS Frequently Asked Questions and video tutorials.
