Superintendent
Baguio City

Dear Dr. Federico P. Martin:

In celebration of the 20th Anniversary of the Philippine Society for the Study of Nature, Inc. this year, we have collaborated with the Central Luzon State University for the hosting of the following activities:

1. 20th Annual Scientific Conference dubbed as International Conference on Nature Studies and Innovation for the Environment (ICoNSIE 2021) on November 26-27, 2021, with the theme, "Nature Exploration, Education, and Innovations during a Disruption." Some of the highlights in the conference will be the competition for the best oral and poster papers. Abstract submission and registration are due on September 30, 2021. Full manuscripts are however required for competing oral papers. A minimal registration of PhP 1,500.00 (local) and \$50.00 (foreign) will be collected to sustain the society's operation. The registration fee will entitle the participant to present oral and poster papers, Zoom link to the conference, and certificate of participation/recognition. The conference will also be aired live via Facebook for public viewing.
2. Vlogging Contest tackling the same theme in a video format will be open to the public with free registration. Entry submission ends on September 30, 2021. Winning entries will be showcased during the ICoNSIE conference.
3. Free Preconference Seminar-Workshop (with limited slots) about Publishing in an Indexed Journal on November 12, 2021.

We wish to invite you to join the above activities or send this information to your networks who might be interested. Please refer to the attached brochures for details. You may also visit our website at <https://www.pssnonline.org/> or our Facebook account at <https://www.facebook.com/profile.php?id=100013807565734> for updates. For inquiries, email us at secretariat@pssnonline.org.

We look forward to your active engagement. Thank you, and stay safe.

Very truly yours,

ZENAIDA G. BAOANAN, Ph.D.
Chair, PSSN Invitation Committee
