Dear Supt. Martin,

The Gokongwei Brothers Foundation joins the Department of Education in supporting both our learners and educators, especially in the field of STEM.

We have recently opened applications for our scholarship program for pre-service and in-service teachers and are launching two additional subprograms. The Central Office has released an advisory regarding the TeachSTEM College and Master's Degree Scholarship Program (https://www.deped.gov.ph/wp-content/uploads/2022/05/DA_s2022_032.pdf) and we would like to share details of the Teacher Certificate Program and Master's Thesis Grant.

Attached is a summary of offerings for the TeachSTEM Scholarships Program along with links to the application form, our website, social media posts and collaterals.

All programs are offered through our partner institutions:

<https://bit.ly/TeachSTEMPartners>

To help us reach the most deserving scholars, we kindly ask for your help and support through the following, if possible:

1. Share our social media posts via your division's social media page
2. Forward this email to your students/faculty as applicable
3. Share or print posters or art cards (files in google drive for collaterals) <https://bit.ly/GBFTeachSTEMProgramsPoster2022>
4. Request your faculty to share the publication materials with colleagues and organizations as applicable.

For questions or clarifications, please contact Lynne Hernandez, Program Manager for teacher scholarships, at 0908-8156373 or LynneGrace.Hernandez@gbf.com.ph.

Thank you and we look forward to further equipping our teachers through these programs.

Sincerely,

Mac Garay
Program Officer
