Greetings in St. La Salle!

Throughout history, women's contribution to society has secured the long-term stability and development of nations. They play a very vital role in human progress and have indeed had a significant place in society. Yet, equality is still yet to be seen, especially in the workplace. They are given less recognition, appreciation, and opportunities in life overall.

As such, Ley La Salle, De La Salle University's premier organization for Legal Management students, aspiring lawyers, and advocates of the law launches its flagship event, **Ley La Salle's Business Law Conference (BLC) 2022: 21st Century Women**. This event is a webinar, held via Zoom on **June 17, 2022, Friday, from 2:00 PM - 4:00 PM**, where distinguished speakers in the field of business and law are invited to discuss their professions, perspectives, and beliefs. Each speaker will be given the chance to share their stories, the successes, and the challenges they've experienced to reach where they are now.

On behalf of Ley La Salle, we are honored to invite you to this prestigious event. You may pre-register through <https://bit.ly/BLC2022-PreReg>. Follow us at www.facebook.com/LEYLASALLEBLC for more updates!

In passion and law,

Louis Miguel Ecat
