Dear Sir,

GREETINGS

The Onjon ni Ivadoy Association, Inc. is promoting the Ibaloy heritage through a month-long celebration featuring events that embody the culture of the Ibaloy people this coming October 2022 in synchronization with the Indigenous Peoples' Month.

The month-long festival is foreseen as an occasion to perform traditional practices and showcase contemporary cultural expressions, in support of the Association's aim to promote Ibaloy culture that is struggling amid rapid urbanization and historical distortion. The activity will also serve as a medium of transmission of Indigenous knowledge and practices to the next generation of Ibaloy and to the public at large.

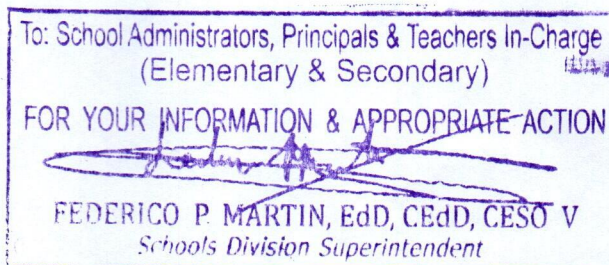

One of the Festival's highlights is the mounting of a series of lectures and workshops on Ibaloy material culture, history, language, and art. As our goal is to reach a larger audience to benefit from this indigenous knowledge, may we invite your students who would take interest in understanding the Ibaloy Culture and Heritage to enrich their exposure to the indigenous cultures in the city. We are also hoping that these events would support our goal to provide our students with localized learning experience.

We are attaching the program and list of events for your consideration and reference. Should your school be interested to participate, you may directly contact Ms. Lynette Bibal personally through CP No. 09397708646.

Thank you very much and we are looking forward to a strong and meaningful celebration with you.

Respectfully yours,

Maximo H. Edwin Bugnay Jr.
President
