SCOUT MEMBERSHIP CAMPAIGN

1. The BSoP Strategy Map outlines the strategic objective and the necessary action steps that the Boy Scouts of the Philippines will undertake in order to achieve its Major Final Outcome (MFO) of Membership Growth. The overall aim is the continuous growth in Scout membership of 3.7 million Scouts by year 2025, an average growth of 5% annually.
2. With Membership Growth as MFO, we see more young people benefit from the program, projects and activities through learning by doing to develop values and acquire competencies to become responsible citizens and capable leaders anchored on the Scout Oath and Law.
