Dear **SDS Martin**:

Greetings!

We are happy to announce that the Department of Science and Technology-Science Education Institute (DOST-SEI) Undergraduate Scholarship application for the Academic Year 2023-2024 is now open. All graduating STEM students and non-STEM students belonging to the top five percent (5%) of their graduating class who are inclined to pursue lifetime careers in science and technology are encouraged to apply.

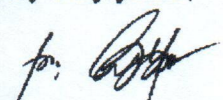

With this, we are requesting your good office to disseminate the scholarship program through your virtual platforms and in-person activities in order to reach a wider audience in your schools. Applications are open until December 2, 2022 through the E-Scholarship Application System: <https://www.science-scholarships.ph/>

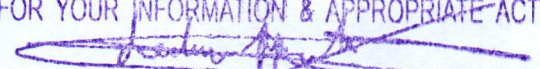

Kindly advise interested applicants to prepare the needed documentary forms which can be accessed and downloaded from the website above. Qualified applicants will take the pen and paper examination scheduled on March 11-12, 2023.

Our staff, Ms. Noveme-an A. A-ayo, will be coordinating with you in relation to this campaign. Likewise, should you have further queries, you may contact us at (074) 422-0979 or 0907 913 2231.

Thank you very much and we look forward to your usual support of our scholarship program.

Very truly yours,

  
**NANCY A. BANTOG, PhD**  
 Regional Director

To: School Administrators, Principals & Teachers In-Charge  
 (Elementary & Secondary)
