Greetings from ETCOR Educational Research Center!

Staying true to its mission to help researchers love and embrace the culture of research, ETCOR Educational Research Center – Philippines (ETCOR Philippines) has been conducting its **FREE lectures and coaching on research writing** through its two research advocacy-projects namely “Project SAGIP MANANALIKSIK (For Everyone)” and “Project SAGIP MANANALIKSIK (One-on-One)”. This 2023-2024, ETCOR is very glad to announce the conduct of its “**Series of International Research Capability-Building Seminar-Workshop cum International Research Conference / Paper Presentations**” on **July 20, 2023 – March 28, 2024**. Similar to its previous seminar-workshops and conferences/paper presentations, said activity will be conducted in collaboration with various international and local institutions/organizations. Active ETCOR Research Consultants/Members, and members of the ETCOR Review Center, participants from partner institutions/organizations, and all student-beneficiaries in the Philippines and abroad, are **FREE of charge** in their participation to the activity. **Certificates will also be issued by ETCOR to qualified participants (complete attendance to a 3-day session and completion of the required activities/submission of outputs)**. Attached is the *Schedule and List of Topics*.

**ETCOR Educational Research Center will be very glad if your office can disseminate this communication about the aforementioned series of activities so that we can reach more beneficiaries (students, teachers, school administrators, researchers, and other professionals) and help them and other concerned people be aware of this noble endeavor.** Researchers who are interested to present their research papers during the above-mentioned event, as well as active Research Consultants who wish to serve as speaker/lecturer, moderator, session chairperson/s and co-chairperson/s, and judges/reviewers for the paper presentations, are requested to contact ETCOR.

We are praying for your positive response.

One with you in embracing the culture of research,
