**Dear Esteemed School Administrators:**

Greetings from Pinoy Robot Games (PRG)!

The Regional Robotics Competition (RRC) for regions 1, 2 and CAR is back! The Pinoy Robot Games, in partnership with the University of the Cordilleras (UC) and the Institute of the Computer Engineers of the Philippines (ICPEP-CAR), will hold this year's regional robotics competition at UC Theater located at Governor Pack Road, Baguio City on November 25, 2023 (Saturday). The competition has two categories, 1-kg Sumobot Auto and Line Tracing, which are open to all students from elementary, Junior HS, and Senior HS. Winners from the regional robotics competition will compete in the National Robotics competition to be held in Manila in December 2023. Kindly refer to RA No. 106, S. 2023 for the DepEd Regional Advisory for this event (<https://www.depedcar.ph/regional-advisories/ra-no-106-s-2023>).

To train your teachers on the use of robots during the competition, a one-day Orientation on the mechanics of the competition and Coach training is scheduled on September 23, 2023 (Saturday) at the UC Theater. A registration fee of Php 500.00 will be collected from each participant for logistics. The registration does not include snacks, meals, or accommodation. Participants must register through <https://bit.ly/RegCoachTraining> on or before September 21, 2023.

In this regard, may we cordially invite your teachers from your school to participate in this orientation and coach training. You may send at most 5 participants from your school. Payments may be made through bank deposit or online fund transfer. Kindly upload the transaction receipt as part of your registration.

UC bank details are provided below:
