Dear Ma'am / Sir:

Greetings,

We would like to introduce to you the [ALTHEA'S EDUCATIONAL MATERIALS](#) a non-stock profit organization establish through the effort of various individuals for the purpose of developing and promoting good reading materials and arts, psychomotor or brain storming materials for children. Initially we have produced and developed storybooks materials and we could also support the "Every Child A Reader Program (ECARP)" and the read-a-ton project for young reader.

Since October is a month of reading, we will celebrate the "National Book Month" which we emphasized the importance and love in reading, writing and literature.

In line with this, we would like to request from your good office to allow us to demonstrate these materials in public and private schools and will give three copies to every school library in Division office.

Your favorable actions in this will be an honor for us and big help to our organization to continue producing worthy educational materials for children.

Thank you very much and God Bless.

Very truly yours,

ALEX M. DEL BARRIO JR.
