SUBJECT: CALL FOR LESSON PLAN and 2023 INTERNATIONAL DEMONSTRATION TEACHING SHOWCASE

Dr. Estela L. Cariño, CESO III
Regional Director
DepEd CAR

Dear Dr. Cariño,

Warm greetings from the Aloysian Professional Community!

In celebration of the **2023 WORLD TEACHERS MONTH**, among other initiatives, **ALOYSIAN PUBLICATIONS-Philippines**, in partnership with **BETMA ENGLISH-Vietnam**, is proud to *spearhead the 2023 International Demonstration Teaching Showcase*. This undertaking is guided by the theme, *"Empowering Educators: Navigating the 21st Century Classroom"* and is scheduled to take place on October 28-29, 2023, November 4-5, and November 11-12. The in-person sessions will be held at the University of the Philippines Diliman, Quezon City, while online participation will be facilitated via Zoom Cloud Meetings.

Our chosen theme for this year underscores not only the significance of teacher competency in the contemporary educational landscape but also the proactive role teachers must play in their own professional growth. It emphasizes the need for educators to continuously upskill and adapt to evolving teaching methodologies, technology, and pedagogical approaches to empower both themselves and their students.

This global endeavor has the following objectives:

1. To showcase teachers' pedagogical content knowledge and approaches, highlighting their ability to select, structure, and effectively deliver complex subject matter.
2. To demonstrate teachers' proficiency in creating and executing lesson plans, as well as their skill in engaging and interacting with students to enhance the teaching-learning dynamic, while sharing their best practices to serve as benchmarks.
3. To align with and support the implementation of DepEd Order No. 7, S. 2015, the 2022 DepEd Expanded Career Progression System, and the development of Video Demonstration Recordings (VDR).

ALOYSIAN PUBLICATIONS is proud to have established a strong partnership with the Department of Education, advocating for the professional growth of educators through its publication, **EDUCATORS' LINK**. This national and international monthly professional magazine provides teachers with an avenue to publish literary, journalistic, scientific, and research articles in a high-quality printed publication. Furthermore, it aids teachers in meeting the promotion requirements outlined in DepEd Order No. 66 s. 2007 and, more recently, the 2022 DepEd Expanded Career Progression System.

Our publication holds recognition from esteemed institutions such as the Department of Education, the National Library of the Philippines (with ISSN: 2782-859X), the National Press Club of the Philippines, and the Professional Regulation Commission (PRC) with CPD Accreditation No. PTR-2021-334, among others.

To ensure the success of this nationwide initiative, we kindly request to renew our partnership with your region and sponsor the **issuance of a DepEd Advisory** to disseminate information about this national undertaking to your field offices. We are mindful that the participation of teachers will adhere to the guidelines set forth in DepEd Order No. 9 s. 2005.

Interested individuals may contact us for additional information at the following telephone numbers: 0921-5794211 and 0992533726 or via email at aloyasianpublicationssubmission@gmail.com.
