Dear **Director Cariño**:

As part of our efforts to promote public awareness and education about hydrometeorological hazards, the Philippine Atmospheric, Geophysical and Astronomical Services Administration will be conducting a webinar entitled **MAAGAP (Maagang Aksyon at Akmang Gawin Ayon sa Panahon) for Science Teachers and School DRR Coordinators for Cordillera Administrative Region**.

The webinar is scheduled on 04 December 2023 from 1:00 PM – 4:00 PM for session 1 and on 05 December 2023 from 1:00 PM to 4:00 PM for session 2. Attached is a copy of the program for your reference.

As our valued Disaster Risk Reduction (DRR) partner, we would like to seek your assistance in disseminating this information to all division offices under your supervision and encourage the participation of science teachers and DRR coordinators in this valuable educational opportunity. We believe that their participation in this webinar will greatly contribute to the overall preparedness and resilience of schools in the face of hydrometeorological hazards. We appreciate your support in this regard.

Due to the limited number of participants that can be accommodated in our virtual meeting room, interested participants will be accommodated on a first-come-first-served basis. You may access the link to register at <https://bit.ly/MAAGAP-CAR>.

Should you require any further information or assistance regarding this webinar, please do not hesitate to reach us at (02) 8284-0800 local 4926/4925 or you may contact Ms. Vivian Aggasid at 0954-0430630.

Thank you for your attention to this matter. We look forward to welcoming your science teachers and DRR coordinators to the webinar.

Very truly yours,

NATHANIEL T. SERVANDO, Ph.D.
