Dear *Ma'am*:

Greetings from the **Asian Center of Education, Research, and Training for Innovation (ACERT)** and **International Youth Fellowship (IYF)**!

**ACERT** is a PRC-accredited continuing professional development provider and a NEAP-authorized learning service provider that aims to uphold excellence in facilitating capacity development programs, providing technical competencies, and initiating professional associations among individuals, organizations, and institutions to achieve social transformation and innovation.

In partnership with **IYF**, we will be conducting **Mind Education Specialist Training** under our program titled *Curriculum Leadership in the 21st Century School Environment: Issues and Challenges from a Global Perspective and Making Classrooms Work: Innovations in Pedagogy and Assessment* to be held in your City on the desired dates and set-up of each division prior to the time on task and no disruption of classes policies of the Department of Education.

This training aims to impart among professionals like teachers, non-teaching personnel, and incoming teachers the significance of having a sound and right mindset in their professional practice and how mind education can help them address and overcome issues and challenges in curriculum implementation and their respective workplaces from a global perspective.

**In addition, our training is classified as international, hence a certificate from us is given. Investment is needed for the growth and to possess the right mindset of our Philippine educators. There is a minimal fee of ₱3,500 for the event which covers the International Certificate and Training Materials. Participants may use any personal or local funds, including MOOE, and can be subjected to the usual accounting and auditing of the government. In this regard, we humbly request your good office to grace this training through your memorandum and wide dissemination to our educators and employees, in-coming teachers of DepEd-Baguio City. May we also request a coordinator per division for us to communicate for other important needs for the said training.**
