MS. SORAYA T. FACULO, Ph.D.
OIC – Schools Division Superintendent
Department of Education – Baguio City

THRU: MS. AUGIE PERL SIMANGAN

Dear Dr. Faculo:

Greetings!

Over the course of four years, City Government of Baguio and WWF-Philippines have been working together under the One Planet Cities (OPC) Project. Most recently, the city through the City Planning, Development and Sustainability Office (CPDSO) has been focusing efforts on various youth-centric activities with WWF-Philippines that support the city's climate ambitions, sustainability goals, innovation drives and youth development activities.

Coming from the success of "Youth on Food Systems: Mobilizing Young People in Transformative Change for the Future of Food, People and Planet," last October 2023, the city realized the potential for replication of one of the initiatives presented, the "Food Shed Farming Enterprise" project.

In this regard, may we invite five (5) focal teachers to join us for a one-day workshop entitled "**Urban Agriculture and the Youth**". The workshop is scheduled for **March 16, 2024 (Saturday)** from **8:00AM – 5:00PM** at **The Plaza Garden Hotel and Residences**, Legarda Road, Baguio City.

Understanding that equipping the youth and the government agencies with proper knowledge about food systems, and farming enterprises will aid and support the City to have a more innovative and sustainable decisions and enact policies that aim to provide equal access to healthy food while ensuring environmental sustainability.

Attached is the program of activities for the workshop. Interested participants are required to register through this link: bit.ly/YouthUrbanAgri or you may scan the QR Code. Should you have questions and/or require confirmation please contact Engr. Kurt Allen F. Paningbatan at 0999-884-2661.

Thank you!

Sincerely,

AR. DONNA R. TABANGIN, EnP
City Planning and Development Coordinator
City Planning, Development, and Sustainability Office
