- ❖ The scope of the quiz includes the news issued from August 2023 to May 2024.
- ❖ **Quiz Proper:**
 - The Quiz Bee will have three rounds - the Easy, Moderate and Difficult rounds. The Easy round will have 15 questions, with one (1) point awarded to participants who get the correct answer. The Moderate round, on the other hand will have 15 questions, with two (2) points awarded to participants with correct answers. Finally, the Difficult round will have 10 questions, with three (3) points awarded to participants who answer correctly.
 - For the Easy round, the participants will be given 15 seconds to write their answers legibly on the white board provided to them. The Moderate and Final rounds will be given 20 seconds to answer the questions. Timer begins after the quizmaster reads the question twice. When the time is up, the participants will stop writing and they will raise their whiteboards. The answers will not be counted if they fail to follow the time allotted.
