1. In response to DepEd's mandate to create a learning environment that is safe and conducive to the education of all children, one that respects, protects, fulfills, and upholds their rights and to provide an opportunity for amplification of student voice and become ambassadors for their rights, the School Governance and Operations Division (SGOD) through the Learner Formation Unit will be conducting a Division Summit for Learners and duty-bearers on **July 26, 2024 at the SDO 3rd Floor Training Hall 1 & 2 | 8:00 AM to 5:00PM.**
2. This activity aims to:
 - a) empower our learners and increase their resiliency against the growing crime involving Sexual Abuse and Exploitation of Children.
 - b) create opportunities for all student voices by being aware of discriminatory barriers and any over-reliance on the input of student leaders.
 - c) teach students practical protective strategies, including what to do when they feel unsafe, phrases they can use to raise an objection, pathways for raising safety concerns, and online safety behaviors.
 - d) serve as a venue for the participants to gain and share knowledge on the issues and challenges they encountered in schools in the implementation of the policy; for experts and child care practitioners to share their insights on the vulnerabilities that children encounter; for partners to share promising practices on child protection; and for all stakeholders to identify areas of priority action and further collaboration to help strengthen the Child Protection Policy of zero tolerance against all acts of child abuse, exploitation, violence, discrimination and bullying.
3. The following documents are enclosed for reference:
 - a) Enclosure No. 1: List of Participants
 - b) Enclosure No. 2: Activity Matrix
