GSIS MEMORANDUM CIRCULAR NO. 055, SERIES OF 2024

TO : HEADS OF CONSTITUTIONAL BODIES; BUREAUS AND AGENCIES OF THE NATIONAL GOVERNMENT; LOCAL GOVERNMENT UNITS; GOVERNMENT OWNED OR CONTROLLED CORPORATIONS; STATE UNIVERSITIES AND COLLEGES; AND ALL OTHERS CONCERNED

SUBJECT : UTILIZATION OF ELECTRONIC COLLECTION FOR AGENCY REMITTANCES

The use of electronic data messages, electronic documents and technology in performing government functions such as, but not limited to, collection and payment is allowed. Thus, the use of Electronic Collection (e-Collection) or Electronic Payment (e-Payment) system is encouraged, pursuant to the Electronic Commerce Act of 2020; and Ease of Doing Business and Efficient Government Service Delivery Act of 2018, subject to regulations.

The GSIS, recognizing the vital need for enhanced convenience, security and efficiency of agency remittances, hereby institutes the utilization of the following electronic collection channels for agency remittances, effective **October 1, 2024**:

1. LBP We Access¹
2. LBP Electronic Modified Disbursement System (EMDS)² or
3. Direct Electronic Payment (DEP) System³

Note: Enrollment in any of these LBP modes of online collection facilities must be undertaken by responsible officials duly authorized by the Head of Agency.

This initiative is in alignment with existing laws, rules, and regulations, aimed at streamlining remittance procedures and enhancing overall efficiency, to wit:

¹ LBP We Access – internet banking facility developed for LBP's institutional clients, both private corporations and government entities.

² LBP EMDS – internet banking facility developed for LBP's National Government Agencies (NGAs) clients.

³ DEP System – electronic payment scheme wherein payments are made by the government entity itself, using the intermediary's technology or infrastructure. This includes the use of Advice to Debit Account (ADA) or agency's authorization for LBP to debit specified amount from its available account balance for payment of remittances.

1. Executive Order No. 170, s. 2022 on the "*Adoption of Digital Payments for Government Disbursements and Collections*," mandating all government agencies to adopt digital payments for their respective disbursements and collections.
2. Republic Act No. 8792 on the "*Electronic Commerce Act*," mandating all government agencies to provide for the method and manner of payment or settlement of fees and other obligations to the government and to require and/or accept payments and issue receipts acknowledging such payments through systems, using electronic data messages or electronic documents.
3. Republic Act No. 11032 or the "*Ease of Doing Business and Efficient Government Service Delivery Act of 2018*," mandating acceptance of digital payments in government collections to promote efficient delivery of government services, expedite transactions, boost revenue and reduce the risk of graft and corruption.
4. *Bangko Sentral ng Pilipinas (BSP)'s Digital Payments Transformation Roadmap 2020-2023 and the National Strategy for Financial Inclusion 2022-2028*, complementing existing efforts to make formal financial services accessible to vulnerable and underserved sectors.
5. Department of Finance (DOF) Department Circular No. 002-2022 on *Revised Guidelines on Authorized Depository Banks*.
6. Commission on Audit Circular No. 2021-014, s. 2021 on the *Guidelines on the Use of Electronic Collection (e-Collection) and Electronic Payment (e-Payment) for Government Transactions*.
7. Commission on Audit Circular No. 2013-007, s. 2013 on the *Guidelines for the Use of Electronic Official Receipts to Acknowledge Collection of Income and other Receipts of Government*.
8. Joint Department Administrative Order No. 10-01, s. 2010 on the *Guidelines on the Use of Access Devices for Payment of Fees, Charges, Assessments and other Revenues Due to the Government through the Electronic Payment and Collection System (EPCS) of the Government Entity*.
9. Joint Department Administrative Order No. 02, s. 2006 on the *Guidelines Implementing RA 8792 on Electronic Payment and Collection System (EPCS) in Government*.

To ensure the proper transition of agencies' disbursement and collection procedures and policies to accommodate digital payments towards the full implementation of this circular, all remitting agencies shall fully implement digital disbursements in their agencies within six (6) months or from **April 1- September 30, 2024**.

The transition period reflects the operational readiness and capability of an agency to implement digital payment solutions **effective October 1, 2024**.

For this purpose, GSIS offices, in coordination with LBP, will conduct training sessions on LBP's Modes of Online Collections for Agency Remittances from April 1, 2024 to June 30, 2024.

All agencies are hereby enjoined to promptly comply with the required enrollment forms, submit necessary documentary requirements, and designate authorized agency officials to ensure seamless implementation.
