Schools Division Superintendent
Upper Session Road Extension
Baguio City

Dear Ma'am,

Warm greetings from the Baguio City Health Services Office!

In collaboration with the Baguio City Health Services Offices and other higher education institutions, spearheaded by the University of the Philippines Baguio, we are organizing this program, Banyuhay: Igniting Youth Transformation for Mental Health and Community Wellness. This is a training that embodies the spirit of Ubuntu—"I am because we are." This convergence was born from our shared conviction that mental health is a universal right and a collective responsibility. We believe that mental health is for everyone and that each individual's well-being profoundly impacts the larger community. We actively advance this responsibility together, ensuring that no one falls behind in the pursuit of mental health and wellness.

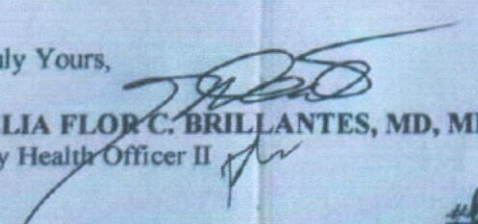

We extend an invitation to your institution to send 10 student leaders, mental health peer advocates, psychology students, social work students, and other interested students to join the youth advocates team for training. Also, may we invite one of your esteemed guidance counselors, **Mr. Eldon Harris Soriano**, and Medical Officer, **Dr. Mary Libeney Sito**, to join our team of facilitators? This training will be on October 28 & 29, 2024, at the RNJ Hotel, Quezon Hill, Baguio City, while the Culminating Activity is on October 30, 2024, 12:00nn-6:00pm, venue to follow.

In addition, may we request you to give a short message during the culminating and closing program of the mental health month celebration on October 30, 2024 from 3:00-6:00 PM, venue to follow. Your message will inspire and motivate the youth to exemplify academic excellence and mental health resilience, enabling them to uplift the standard of education in the country. By doing so, they will not only advance their own academic and personal growth but also empower their peers to contribute meaningfully to nation-building.

Please confirm your institution's participation by October 21, 2024 to allow us to make the necessary arrangements. You may fill in our google link for confirmation: <https://forms.gle/b1SJR6nG8g7czkHg7>. Should you have any questions or need additional information, feel free to contact Ms. Liza A. Ngiao at 09993026003 or email her at langiao@up.edu.ph or Ms. Cyra Policarpio at 09190696361.

Thank you for your time and support. We look forward to welcoming your students and advisers and to working together in creating a healthier, more connected community.

Truly Yours,

CELIA FLOR C. BRILLANTES, MD, MPH, PHSAE, FPSVI
City Health Officer II
