Dear Dr. Facullo,

In line with the observance of the 32nd National Children's Month Celebration with the theme "Break the Prevalence, End the Violence: Protecting Children, Creating a Safe Philippines!", the Local Council for the Protection of Children (LCPC) came-up with series of activities to promote and protect the rights and welfare of Baguio City Children.

One of the identified activity is the Children's Summit that aims to gather more than 600 school children where they will learn and discuss issues and trends related to child protection. Further, the summit provides a forum to our children to network and share their hopes and concerns to matters affecting them. We highly appreciate if participants will confirm their attendance on or before November 26, 2024 at 12Noon for the preparation of Certificates.
