2024 Philippine Association for Language Teaching (PALT) National Convention and Conference

The Philippine Association for Language Teaching, Inc. (PALT) invites teaching, teaching-related, and non-teaching personnel of the Department of Education (DepEd) to participate in the 2024 PALT National Convention and Conference. The event will be held on November 29 to December 1, 2024 at Jose Rizal University, 80 Shaw Boulevard, Mandaluyong City, with the theme: "*In Focus: 4 + 1 Macro Skills in the Age of Artificial Intelligence*". The event was granted 14 CPD units by the Professional Regulatory Board for Professional Teachers of the Professional Regulation Commission.

At the end of the convention and conference, the participants shall be able to: (1) define key concepts relevant to the topics covered; (2) analyze visuals, images and pictures, 21st century literary texts and news articles; (3) transcode from visual-to-verbal and verbal-to-visual; and (4) share challenges and best practices on the teaching of language in the age of AI.

There will be a registration fee of ₱2,800.00 which includes access to plenary and breakout sessions, certificate of participation and attendance, and simple conference kit. Food and accommodation are not included in the registration fee.

Interested participants may register through <https://tinyurl.com/PALTNCC2024>. Participation of interested DepEd officials/personnel/staff is **personal and on a voluntary basis** and shall be subjected to no-disruption-of-classes policy as stipulated in DepEd Order No. 9, s. 2005 titled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith".

COURSE/PROGRAM TITLE: In Focus: 4 + 1 Macro Skills in the Age of Artificial Intelligence

Course Program Brief Description: The literature in the teaching of English/other languages gives four macro skills: listening, speaking, reading, and writing. With technology transforming life as we know it and affecting every aspect of 21st century living, the use and power of the internet led the Department of Education to add another macro skill, that of viewing. With the use of technology, students are enabled to access online resources that facilitate their learning. The three-day course/seminar will clarify concepts and develop skills in these five macro skills in the age of artificial intelligence.

Intended Outcomes:

1. Define key concepts relevant to the topics covered;
2. Analyze visuals, images and pictures, 21st century literary texts and news articles;
3. Transcode from visual-to-verbal and verbal-to-visual; and
4. Share challenges and best practices on the teaching of language in the age of artificial intelligence.
