We, the girl scouts members learn things by doing and this is the proper way to earn different badges from the WAGGGS and Eight Point Challenge. We need to apply what we had learned during our troop scout meetings, training, symposiums, sharing experience and reading our girl scout hand book. In order for us to become a full pledge girl scout we need to be informed and apply our learnings.

How wonderful to think to live in a in the real world of scouting way of life. In GS Everyone respects everybody, nobody is poor or wealthy, everybody help each other to grow in scouting, may it be a creature on land or at sea, plants and people. We explore topics of stewardship, harmony, and the role the environment plays in peace and security by the following suggested activities:

1. Respect everybody's religion, belief, opinion and tradition that is not against God.
2. Know your rights.
3. Know and understand each other's feeling and opinion.

All the activities given to all the age level activities are found in the manuals for each age level, each badge has a certain amount to pay (Eight Point Challenge – P3.00/each badge; WAGGGS Badge/Special Badge 15.00). In keeping also our girls safe and enjoy the continuing activities this coming Saturday, November 16, 2024. We are happy to let their registered parents accompany their daughters who are Twinkler and Star Scouts and be part of their activities, if they would like

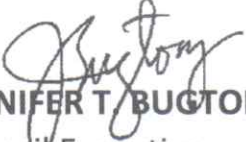

to. In that case our girls and their parents will also be given a chance/time to bonding in accomplishing the GSP activities with their supportive parents.

Attached is their Application Form and Parents Consent for age level.

In this regard, we encourage Girl Scout members from all the schools to participate in this activity to let our girls enjoy the different activities and earn the Eight Point Challenge badges and special badge from the WAGGGS.

We look forward to your active participation in the continuing **WAGGGS BADGE ACTIVITIES**.
