1. In reference to the Regional Memorandum No.609. 2024 titled, "Results of the 2024 Regional Achievement Test (RAT)" wherein the Division of Baguio City got the Mean Percentage Score (MPS) of 40.18 in Araling Panlipunan, which was interpreted as low proficiency.
2. As part of the efforts to enhance the results, the Schools Division of Baguio City, in collaboration with the College of Social Sciences and the Institute of Social Research and Development of Benguet State University, will conduct a research based on the Training Needs Assessment (TNA) for Grade 6 Araling Panlipunan teachers. This initiative aims to gather valuable insights that will guide the development of training and professional development programs, ultimately strengthening teacher effectiveness and improving the implementation of the Araling Panlipunan curriculum.
3. The Grade 6 Araling Panlipunan teachers are strongly encouraged to actively participate in this Training Needs Assessment (TNA). To ensure a comprehensive and accurate analysis, face-to-face interviews and Focus Group Discussions (FGDs) will be conducted to validate and further clarify the data gathered from the qualitative survey questionnaire. Our partners from the Benguet State University will float the questionnaire surveys to your school from March 6 to 14, 2025.
