Dear SDS Faculo,

The Public Employment Service Office (PESO) under the City Mayor has for its mandate the conduct of Career Development Support Program (CDSP) to our public and private high schools in the City. This function aims to help our students to make adequate educational and occupational choices and make career decisions based on the demands and requirements of the future of work. We would like to strengthen our partnership with our private institutions in the City to provide the youth with relevant information that shall guide them in making informed career choices.

In this regard, we would like to seek your assistance by endorsing to the different private schools the video presentation on CDSP. May we also further request to require students from the different schools to fill out the attendance to be able to assess on other assistance or services the Office may extend to them. We would appreciate if all private schools will be able to view the video presentation **on or before December 15, 2025.**
