DIVISION MEMORANDUM

No. **712-2025**

LAUNCHING OF BULLYING PREVENTION - CULTIVATING COMPASSION: A WEEKLY EMPATHY SESSION INITIATIVE TO PREVENT BULLYING IN SCHOOLS ORIENTATION FOR SCHOOL HEADS

To: Chief Education Supervisors
All Public Schools District Supervisors
Public Elementary and Secondary School Heads
Others Concerned

1. Reported bullying cases in Baguio City schools have decreased over the last three school years, dropping from 48 down to 20. However, because international studies (like PISA) show bullying is a major problem in the Philippines, it's likely that many local cases are still going unreported.
2. This proposed initiative is a crucial response to the persistent issue of bullying in public schools in Baguio City. While schools have made commendable strides in addressing this issue, the need for proactive and sustained intervention remains critical.
3. As the first phase of this initiative, the program shall be rolled out to all school heads of public elementary and secondary schools in Baguio City on **November 17, 2025 | 1:30 PM at the 3rd Floor Training Hall.**
4. This orientation aims to:
 - Equip school leaders with a clear understanding of the program's objectives, framework, and implementation strategies.
 - Capacitate to effectively cascade the advocacy to their respective Child Protection Committees, teachers, learners, and stakeholders, ensuring consistent and unified implementation across schools.
5. Immediate and wide dissemination of this memorandum to all concerned is desired.
