GREENING THE CURRICULUM STUDY OF UNICEF AND THE PHILIPPINE SEATIZENS INC.

1. The Department of Education has partnered with UNICEF Philippines and the Philippine Seatizens, Inc. towards enhancing teacher capacity, curriculum alignment, and learner engagement in climate action through Greening the Curriculum (GTC) study.
2. To push forward with the data collection phase, scheduled to take place from October 2025 to January 2026, UNICEF has identified **SDO Baguio City** as participant to represent Luzon in the study.
3. In line with this, the Office of Undersecretary for Learning Systems is requesting that **four (4) schools** be identified by the SDO to participate in the proposed research activities. These engagements are critical to ensuring the effective execution of data collection activities and to align field-level insights with the overarching goals of the Greening the Curriculum initiative.
4. To accomplish this, Schools Division Offices are tasked to fill in necessary information in the Greening the Curriculum Participants Sheet which can be accessed through the link <https://tinyurl.com/GEC-Participation-Sheet> by **January 9, 2026**.
5. For inquiries or concerns, please contact CES Jennifer P. Ande at (074) 422-7096 or 09190073814.
6. For dissemination and information.
