SCHOOLS DIVISION OF BAGUIO CITY

ADVISORY NO. 015,2026

March 06, 2026

In compliance with DepEd Order No. 8, s. 2013
this advisory is issued not for endorsement per DO 28, s. 2001
but only for the information of DepEd Officials, personnel, staff, as well as the
concerned public. (visit www.deped.gov.ph)

**INVITATION TO PARTICIPATE IN THE ACTIVITY “TAWID (PROTECTING
INTERGENERATIONAL LEGACY), A QUAD - MEDIA APPROACH TO
MAINSTREAMING ZERO WASTE SOLUTIONS”**

The Zero Waste Baguio Inc. is inviting learners to participate in the competition component of the activity, **“Tawid (protecting Intergenerational Legacy), a Quad -media Approach to Mainstreaming Zero Waste Solutions”** and produce quad-media content (short video, audio podcast, short story, poster) related to the theme. Created content shall be used as IEC materials to further promote environmental care for Baguio City. The module launch of the activity will be conducted on an online modular basis starting March 07, 2026 (Saturday) via Google Meet.

Enclosed is the letter for your reference and information. For inquiries, clarifications or assistance, please contact Sir Ulysses Dalog, the project implementer through this email: zerowaste.baguio@gmail.com or you may call this no. 0985-085-7827.

5 March 2026

DR. SORAYA T. FACULO, PhD, CESO V
Schools Division Superintendent
Department of Education – Baguio City
82 Military Cut-off, Baguio City

Subject: Request for partnership for the activity “TAWID (Protecting Intergenerational Legacy), a Quad-media approach to Mainstreaming Zero Waste Solutions”

Dear Dr. Faculo,

Warmest Greetings!

We are Zero Waste Baguio Inc. a Civil Society Organization based on Baguio City with the mission of transforming and empowering its members and all sectors to influence lifestyles, systems and policies towards a life-sustaining Earth Community

One of our recent project is focused on reduction of plastic waste by combatting false solutions and corporate barriers in Baguio City through a strategy of mainstreaming proper environmental care information and debunking false solutions via quad-media entitled **“TAWID (Protecting Intergenerational Legacy), a Quad-media Approach to Mainstreaming Zero Waste Solutions”**

With our shared effort in the **Circular Economy “Pansanopen”** project of the city, we wish to partner with Dep Ed Baguio in this activity.

Through this project we aim to:

- Invite at least 50 to 100+ youth representatives from various schools (senior high or college students) to learn and participate in the activity
- Invited student to participate in the competition component of the activity and produce quad-media content (short video, audio podcast, short story, poster) related to the theme. Created content shall be used as IEC materials to further promote environmental care for Baguio City.

This project targets the following campaigns:

- Teaching the community about the triple planetary crisis (climate change, biodiversity loss, pollution) in the local context
- False Solutions (burning, Waste-To-Energy Incinerators) vs. Sustainable solutions (zero waste, Circular Economy “pansanopen”)
- Management of organic waste and the appreciation of local organic materials
- Behavior Change – challenging behaviors and misguided beliefs in the community that hinders proper environmental care
- Media Ethics on creating content related to the environment

Through this project ZWBI will be able to provide the following resources:

- Meals for organizers and participants
- Tokens for speakers and participants
- Certificates and Prizes for participants

Through your support, we seek aid on the following:

- Call to enjoin and lend full support of DepEd schools in Baguio City to the activity
- Endorse the activity as a possible project for YES-O of DepEd schools in Baguio City

The activity will be conducted on an online modular basis but will open through a forum on **March 14, 2026 (Saturday)** and will culminate with another forum on **March 28, 2026 (Saturday)**.

We believe that the full support of DepEd Baguio on this activity will help mainstream our environmental goals on all fronts specially for the youth. We will also request the partnership of the City Government of Baguio on this activity.

For more details, we will be communicating via email at zerowaste.baguio@gmail.com or through our member project implementer **09850857827 (Ulysses Dalog)**.

Thank you and we look forward to your positive response.

Sincerely yours,

TRELLY B. MARIGZA
President
Zero Waste Baguio Inc.

The Baguio City Public Library supports this project and offers its facilities for participants who wish to have a learning conducive space to learn about the TAWID module or create their content for the TAWID Quad-media Content Creation (with respect to City Library rules and regulations)

Powered by:

Tawid/Pamana/Legacy

Will future generations inherit an environment overflowing with waste, stripped of natural resources, and burdened by rising temperatures that harm our health? Or will they inherit a cleaner, more sustainable world shaped by our choices today? Real change begins with awareness, and awareness grows when we learn together. **TAWID is a modular learning project** to help us understand more, act wisely, and create meaningful solutions for a **Zero Waste future**.
