SUMMARY:

As of May 18, 2026, the Schools Division Office (SDO) data shows a partial number of 229 private schools across the Cordillera Administrative Region (CAR) with recognized status and approved and released permits, and approved certifications.

From School Year 2025–2026, there are 182 schools with Certificates of Recognition already issued, complemented by 30 schools with released permits to operate. For the upcoming School Year 2026–2027, an additional 4 schools have been granted Certificates of Recognition, bringing the subtotal of officially recognized and permitted schools to 216.

However, there remain 13 schools with approved permits that have not yet been claimed, which, when included, results in the overall total of 229 schools in the region.

In terms of distribution by division, Baguio City has the largest number with 87 schools, followed by Benguet with 52, and Abra with 32. Meanwhile, smaller divisions such as Apayao (8), Kalinga (7), and Mountain Province (13) have fewer schools. Tabuk City and Ifugao have 17 and 13 schools, respectively.

Overall, the data indicates steady recognition and permitting of private schools in the region, with only a small number of approved permits it is suggested to follow-up and remind schools to claim approved permits on time.
