Subject: Request for Endorsement and Assistance for Pahinungód Tangguyob – Affirmative Action Program

Dear Director Capulong:

Greetings from Ugnayan ng Pahinungód Baguio!

We are the volunteer service office of the University of the Philippines Baguio and have been consistently implementing our Affirmative Action Program (AAP) since its revitalization in 2019. The main goal of the AAP is to help democratize access to quality education in the Philippines by introducing the University of the Philippines to public national high schools through *Tangguyob*.

Through the *Tangguyob*-APP, we provide students with information on the University of the Philippines, The UPCAT application process, academic programs offered by UP, available scholarships and financial assistance, and other opportunities that may help them pursue higher education. We believe that increasing awareness of these opportunities among learners in underserved communities will encourage greater participation in quality higher education.

As part of this continuing efforts, we will be conducting *Tangguyob* in Baguio City on July 24-26, 2026. In addition to our school visits, we intend to conduct a UPCAT review and mock examination session for applicants in preparation for the UPCAT scheduled on August 1-2, 2026.

In this regard, we respectfully request your endorsement of the *Tangguyob* to the Schools Division Office of Baguio City and the secondary schools within the city. We also seek the assistance of DepEd CAR and SDO Baguio in identifying secondary schools that may be included in our itinerary, together with the names of the respective school heads and their available contact details (email address, official Facebook page, and mobile number), to facilitate proper coordination and communication for the conduct of the activity. We likewise request assistance in recommending a suitable venue where the UPCAT review and mock examination may be conducted.
