DIVISION MEMORANDUM

No. **387-2026**

**CONDUCT OF VISION SCREENING AMONG GRADE 1 PUPILS DURING THE OPENING BLOCK
FOR SCHOOL YEAR 2026-2027**

To: Public Schools District Supervisors
All Public Elementary Heads
School Health Personnel
All Others Concerned

1. As part of the Mandatory Health Assessment, the Schools Division of Baguio, in coordination with local partner agencies and optical/ophthalmology clinics, shall conduct Vision Screening activities for all Grade 1 pupils.
2. In line with this, schools are requested to undertake the following preparations:
 - a. Print a complete list of Grade 1 pupils per section using the prescribed template and print referral forms, as needed, both of which are accessible through this link <https://tinyurl.com/VS-Forms>. For the accomplished result forms, retain one copy for the school and provide one copy to the examiners.
 - b. Designate and prepare an appropriate area for the vision screening activity, including the necessary tables and chairs. Schools shall also provide electrical outlets, if requested, and make available the vision screening charts and occluders previously distributed last year.
 - c. Assist in the conduct of the vision screening to ensure a smooth and efficient flow of activities. School personnel may be needed to support the process, as school health personnel may be engaged in other concurrent health activities such as height and weight measurement and physical health assessments.
3. Attached is the schedule of the vision screening activities, including the corresponding schools and personnel assigned to conduct the screening.
4. Schools that cannot be accommodated within the limited timeframe of the opening block shall be strategically scheduled and coordinated to minimize, if not eliminate, disruption to instructional time.
5. Immediate and wide dissemination of this memorandum is desired.

SORAYA T. FACULO PhD, CESO V
Schools Division Superintendent
