DIVISION MEMORANDUM

No: 451-2026

PILOT TESTING OF THE HELPERS SYSTEM

To: Assistant School Division Superintendent
 Chief Education Supervisors
 Education Program Supervisors
 Public Schools District Supervisors
 Public Elementary and Secondary School Heads
 All Others Concerned

- One of the big bets of the Performance Governance System (PGS) is the HELPERS (Health, Education, Livelihood, Partnership, Environment, Research and Sports and Arts) System. It is a user-friendly online platform that will guide partners and donors from various sectors in supporting the Department of Education-SDO Baguio City's goal of enhancing learners' wellbeing.
- The system will feature curated packages of activities and programs, each detailing required supplies, materials, equipment, and manpower that will be provided and encoded by all public schools. Partners and donors may select from these options to support their corporate social responsibility initiatives, thereby fostering meaningful partnerships with SDO Baguio City and its public schools.
- In this connection, two school heads from each district will be attending the pilot testing of the system tomorrow, July 8, 2026, from 2p.m. onward at the DO Training Hall, 3rd Floor. Participants are requested to bring their laptops to ensure the efficient conduct of the pilot testing.
- The participants are the following:

No.	School Head	District	School/ Office/ Section
1	Jane L. Adolfo	1	Baguio Country Club Village
