1. In support of the Department of Education's One DepEd, One Quality Management System (QMS) initiative, the Schools Division Office (SDO) continuously strives to strengthen a unified and effective Quality Management System that ensures the delivery of efficient, responsive, and quality public service. And to sustain the implementation of the Division QMS and ensure alignment with the requirements of ISO 9001:2015 and existing DepEd policies, there is a need to reconstitute the Schools Division Office Quality Management System Teams.

3. The reconstitution of the QMS teams will further strengthen the institutionalization of a culture of quality, accountability, collaboration, and continuous improvement in the Schools Division Office, consistent with the Department's commitment to One DepEd, One QMS.
