2026 Public Governance Forum

22 July 2026 (Wednesday) | 9:00 AM to 5:00 PM
Dusit Thani Manila, Makati City

DESCRIPTION

In pursuit of our vision for our Dream Philippines, we are delighted to announce our upcoming 2026 Public Governance Forum (PGF) on July 22, 2026, at the Dusit Thani Manila, Makati City. The PGF is a recognition program under the Public Revalida, a democratic process that validates the successful completion of each stage of the Institute for Solidarity in Asia (ISA)'s transformative governance framework, the Performance Governance System (PGS).

Through the PGF, ISA gathers the different sectors of Philippine society to discuss governance reform as implemented and practiced by various public institutions. Together with guests, panelists, and attendees, we explore transformative governance and its link to national competitiveness, long-term development, and now, the pursuit of more resilient, crisis-ready communities.

Presenting as case studies the public institutions who are in the journey toward reform through the PGS, we shall witness the heads of these institutions deliver impact reports to a multi-sector panel of governance and industry experts in a public revalida and be officially recognized for their institutions' accomplishments.

This July, the PGF goes beyond recognition with the launch of ISA Executive Director and Practice Leader Mr. Christian P. Zaens' new book, *Strategy Playbook (Second Edition)*, as well as exclusive learning sessions and discussions exploring the PGS 2.0, led by Christian Zaens and seasoned PGS practitioners.
