DIVISION MEMORANDUM

No. 715-2026

**RESPONSIVE TECHNICAL ASSISTANCE ON THE DEVELOPMENT OF FORMATIVE
AND TERM ASSESSMENT ITEMS ALIGNED WITH NATIONAL STANDARDS**

To: Asst. Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public School Heads
All Others Concerned

1. In support of the Department of Education's Learning Systems Reforms and Policies, and in alignment with DepEd Order No. 15, s. 2026, Guidelines on Classroom Assessment, Grading System, and Awards and Recognition, the Schools Division of Baguio City shall conduct a Responsive Technical Assistance (TA) on the development of formative and term assessment items aligned with national standards on November 5, 2026, at 8:00 AM at the Division Office Training Hall.
2. This activity aims to strengthen school leaders' capacity to ensure that classroom-based assessments accurately measure learners' attainment of learning competencies and provide meaningful evidence of learning progress. It also seeks to address the observed gap between classroom-based assessment results, particularly end-of-term results, and performance in the National Achievement Test (NAT). Through evidence-based analysis, assessment review, and responsive instructional interventions, school heads are expected to support improved assessment practices and better learning outcomes across all learning areas.
2. The participants shall be the identified School Heads. The list of participants is attached as Enclosure No. 1.
3. To ensure that the technical assistance is responsive to actual school needs and grounded in evidence, all participating school heads shall prepare and bring the following:
 - a. Analysis of End-of-Term Classroom Assessment Results and NAT results – Present the results of the most recent end-of-term assessments and NAT results 2024-2025 across all learning areas, including the mean percentage scores, proficiency levels or performance distribution, and identified least-mastered competencies, as applicable.
 - b. Proposed Responsive Actions – Identify priority learning gaps and initial recommendations for improving assessment practices and learner achievement in the school.
4. For inquiries and other concerns, please contact Juliet C. Sannad, Chief of the Curriculum Implementation Division (CID), through telephone number 619-3491.
5. Immediate and widest dissemination of this Memorandum to all concerned is hereby directed.

SORAYA T. FACULO PhD, CESO V
Schools Division Superintendent
